This part of the country is overrun with men who will run a mile to speak and give you a cigar, and after election they will not look at you.

That young man from Colby who comes to see our blacksmith's girl took her out buggy riding Sunday evening, and returning at a late hour was so well pleased that he woke up each member of the family to tell them that it was all right.

James Summers is the popular candidate on the republican ticket in this part of the county for county clerk. Wishing Bro. Fike no harm, but we are going for him body and soul.

Now at this season of the year, when any of us are liable to be taken with cramps, colic, diarrhoea, or dysentery, how essential it is that all families should keep a good colic and diarrhoea remedy at hand. We guarantee Begg's diarrhoea balsam to give perfect satisfaction or money refunded. Out of 1,000,000 bottles sold last summer not one was returned. Sold by Walker & Yousse and at the Palace Drug Store.

Quick Relief is just what is wanted in every case of cramp colic or diarrhoea. Chamberlain's colic, cholera and diarrhoea remedy relieves the pain promptly, and is a certain cure. A dose or two is all that is required for any ordinary case. Recommended, guaranteed and sold by Walker & Yousse.

Walker & Yousse are selling a medicine for diarrhoea and bowel complaint which is no doubt the best family medicine ever introduced in this country. It is not made to cure every disease, but is all the more valuable on that account. It is known as Chamberlain's colic, cholera, and diarrhoea remedy, and is worth one hundred times its cost in time of need.

When your tongue is coated, when your eyes are dull, when your blood runs sluggish, when you have a fever, when you feel languid and have no appetite, and all you eat lies on your stomach like a brick, also when your head aches, your blood is out of order, your liver does not work properly, you need a good reliable remedy that will put new life and blood in your veins. Begg's Blood Purifier and blood maker is prepared expressly for this purpose, and acts on the whole system simultaneously; if you try it once in your family you will never be without it. Sold by Walker & Yousse.

If parents who have children would take Walker & Yousse's advice, they would never be without a bottle of Chamberlain's colic, cholera and diarrhoea remedy in the house, then in case of need, night or day, they would be prepared to cure sudden attacks of bowel complaints. It is absolutely unsafe to be without a reliable medicine of this kind at hand and we know of none better than Chamberlain's.

for a whole year, we have made such arrangements with THE LEAVENWORTH TIMES, that enables us to offer that leading paper with the THOMAS COUNTY CAT, for five dollars only. THE TIMES is essentially the state paper, being a fearless, outspoken, independent Republican journal. It believes in the enforcement of all laws and that the statutes should rule instead of policy.

During the present campaign, it will be more interesting, as both sides of all questions will be presented in its columns and while not endorsing anything outside of the straight Republican ticket, believe that all are entitled to a hearing.

All subscriptions must be for one year, for a short term full rates will be charged. Remember this offer is for a limited time and if you want the best daily and weekly in the state, for \$5.00 call on us. Sample copies will be mailed you by addressing, THE TIMES Leavenworth, Kana.
